throughout the country, but since then, a large percentage of this crop has turned out to be very short and of inferior quality for seed purposes. Consequently the prices quoted will have to be cancelled, but we will be pleased to quote prices upon request. We now have buyers in the best wheat growing sections of the Eastern States securing our stocks, and will be in a position to supply the very best Seed Wheat available this year. Write for prices and samples when ready to buy.

WOOD'S SEED POTATOES.
